PROFILE

I want to incorporate my coding skills with my ability to condense large quantities of data into brief summaries

WORK EXPERIENCE

Instructional Aide for SI 206

University of Michigan | Ann Arbor, MI | August 2020 - January 2021

- Worked closely with professor, GSIs, and IAs in data-oriented programming course to provide the best learning environment for students
- Led a weekly discussion to help students solidify the skills they learned in lecture
- Graded and wrote comments for projects, exams and homework assignments
- Guided students through problems or concerns during weekly office hours
- Facilitated group work and answered questions during live lectures
- Proofread homework assignments and projects before distribution

Research Assistant

University of Michigan | Ann Arbor, MI | June 2020 - September 2020

- Worked with Professor Barbara Ericson to write two ebooks for SI 206 using reStructuredText
- Converted lecture content into a readable format
- Created four questions per section to allow students to engage with the material (4 chapters each with 10+ sections)
- Composed end of chapter exam questions that allowed students to practice the entire chapter's content

MEDIA INTERN, MARKETING

Hulu | Santa Monica, CA | May 2018 – June 2018

- Provided general administrative support and supported Media team in day-to-day management of Brand & Content Marketing campaigns
- Worked on the media plan development for the launch of Marvel's Runaways and Future Man
- Helped develop Gen Z targeting strategy, specifically providing POVs on the relevance of media partners, publishers, and influencers
- Assisted in creative trafficking to vendors and cataloging creative content
- Participated in 4-day intensive training rotation at Snapchat, Google, IGN, and HYPEBEAST

LEADERSHIP EXPERIENCE

INSTRUCTOR

Third Coast Tennis | Dexter, MI | June 2014 - Present

- Developed exercise programs and training strategies, which bolstered individual and team performance
- Mentored athletes and coaching staff to promote good sportsmanship on and off the court
- Team lead on equipment, facilities, and inventory management
- Implemented loss prevention tactics to decrease damage and inventory replacement costs

RESIDENTIAL ADVISOR

Cranbrook Kingswood High School | Bloomfield Hills, MI | September 2016 – June 2018

- Resident advisor for incoming freshman and sophomore boys
- Acted as welcome liaison to the school
- Advised 10+ students throughout the year with numerous activities and
